

Freedom of Information Publication Scheme Reviewed May 2020

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public. To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is currently available in paper form from the school office. Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

1. Aims and Objectives

At Shiplake CE Primary School, our Mission Statement is: The ethos of Shiplake CE Primary School is built upon mutual respect, good behaviour and the pursuit of high academic standards within a Christian and moral culture.

The school encourages the co-operation of each individual to realise his or her own potential across a broad range of skills, within a happy, motivated and friendly community.

This publication scheme is a means of showing how we are pursuing this Mission Statement.

2. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 4 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

- School Prospectus – information published in the school prospectus.
- Information relating to the governing body – information published in other governing body documents.
- Pupils & Curriculum – information about policies that relate to pupils and the school curriculum.
- School Policies and other information related to the school - information about policies that relate to the school in general.

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, fax or letter:
