HENLEY SYMPHONY ORCHESTRA

Here is an opportunity to hear the orchestra in its home town and set the Christmas season off to a rousing start. Join us in Christ Church for this popular concert of short works, which will appeal to young and old alike, and enjoy singing your favourite carols accompanied by the whole orchestra. An earlier, shorter concert at 4.30 pm is specially devised for the Under 7's.

From the first concert held in a borrowed marquee in Shiplake, and now in its 52nd season, HSO has gone from strength to strength, attracting some 50 players from across the Thames Valley. Under the guidance of **Ian Brown**, the orchestra promotes an annual season of four concerts, featuring internationally acclaimed artists. The aim is to provide high-quality music-making at affordable prices and to give local musicians a chance to perform the great classical orchestral repertoire to a high standard.

After the concert you are warmly invited to come and enjoy a glass of mulled wine or a soft drink and a home-made mince pie with the orchestra.

Christ Church is situated in central Henley on Reading Road (A4155), close to the junction with Station Road. Parking is available in Station Car Park or Grey's Road.
